**If you are unable to provide notice by 4:00 p.m. on the Friday preceding the meeting at which you wish to speak, and you believe it is imperative that you speak at that meeting, please contact any Council member and indicate your reason for not being able to provide timely notice and why your comments cannot wait until the next regularly scheduled Council meeting. A Council member may make a motion to allow you to present your comment despite lack of timeliness, but the Council member has no obligation to do so unless he or she believes in good faith that it was impossible or impractical for you to provide timely notice and the topic of your comment is of such urgency it cannot wait until the next regularly scheduled meeting. If a Council member makes such a motion, it shall take a majority vote of Council to permit the comment to be made at that meeting.*
